Present Situation:

We are not able to build —

We need space to accommodate growth for at least five years — to permit study & attend alternatives.

Space should be adequate to house present collections & one or more categories as listed above. Each of these has its own growth rate. Space should provide for that for 5 yrs. Can be co-located or divided — if divided must be by category. Distance from headquarters differs according to category. Frequency & service etc.

The Over use pressure has been that problem has been

considered overall and alternative solutions have been suggested by D. Log to DDS identifying 500 and 202.

We are now seeking evaluation of those alternatives & other alternatives at space already owned or controlled by CIA in Metro area might be considered. If need requires - DDS then seek additional rental space

STAT [redacted] a separate consideration. Will permit some gain - We propose to do anyway Hqs. Modules & other alternatives.

Decisions what to do will depend on costs at each location. We want these estimates so we can make recommend action to DDS,
